Subject: Submittals for Excelsior UIC meeting

Nancy – On behalf of Excelsior Mining, I am forwarding several documents for your review in anticipation of our meeting with you and David tomorrow. I have included the revised Attachment R3 to the UIC application, a letter from Alison Jones explaining the water supply flow rate from Johnson Camp, and a Technical Memorandum describing Excelsior's proposed multiple-probe study that was discussed last week with Jim Walker.

If you have any questions, please don't hesitate to call.

Cheers,

Doug
